

## **ATTENTION ALL SHAWANAGA FIRST NATION MEMBERS:**

You may have already noticed some trucks and heavy equipment with these logos within or around our Reserve and Traditional Territory. Henvey Inlet Wind has started to cut and clear the T-Line Corridor just to the North of Woods Road. The plan is to keep moving North from there all the way back to Henvey Inlet First Nation.

We will start having activity on Reserve starting at *Bah Sah Gim Road* this **Friday January 19, 2018** as they stage their equipment to officially start cutting and clearing **Monday January 22, 2018**. The work should be done within the week.

**If you have any further questions or concerns, please feel free to call:**
