REQUIREMENTS FOR OBTAINING A TEMPORARY PARKING PERMIT

- In order to be eligible for a permit, a vehicle must bear an up-to-date licence plate validation sticker.
- parking permits shall not be issued for campers, camper-trailers or motor homes. On-site camping is not permitted.

CONDITIONS FOR USE OF A TEMPORARY PARKING PERMIT

- Whenever a motor vehicle is parked in accordance with a permit issued under the terms and conditions, **the permit shall be clearly displayed in the windshield of the vehicle.**
- **Permits are non-refundable and non-transferable.**
- A permit may be revoked or cancelled when it is necessary to ensure public safety, when it was obtained through the submission of false, misleading or fraudulent information, or when the vehicle in respect of which the permit was issued has an expired validation sticker.
- I understand that Shawanaga First Nation is not responsible for lost, damaged or stolen property
